

Tamworth Regional  
**LANDCARE**  
ASSOCIATION  
*Caring For The Land, To Care For Our People.*

## **Expression of Interest (EOI) TRLA Donate a Tree Program**

Tamworth Regional Landcare Association accepts financial donations from the community to grow trees on behalf of Landcare groups for Landcare activities in the Tamworth region.

Landcare groups, volunteers, community groups and educational organisations can apply for trees and plants for grass roots planting activities and bush food gardens.

Expressions of Interest (EOIs) will be accepted and reviewed by the TRLA Committee.

Projects will be selected based on their overall benefit to the environment and the community.

EOIs are open year round.

Successful applicants will be informed via email.

Please register your interest to Anne Michie at [anne@trla.org.au](mailto:anne@trla.org.au)

**1. Date:**

**2. Name, group or organisation and contact details:**

**3. Outline of your activity, including the location the planting will take place:**

## Expression of Interest – Donate a Tree Program

4. Number of plants required:
5. How will your group undertake follow up care and maintenance of the trees?
6. Benefit to the community and environment from your activity?
7. Would you be interested in collaborating with other groups who have similar goals?
8. Are you a Landcare group or a TRLA member?

## Expression of Interest – Donate a Tree Program

9. How will you promote the tree donation from TRLA in your activity (for example signage, media promotions)?

*Evidence of planting is required from each tree donation this must include photographs of the finished planting/project and a short report to be provided upon completion.*
