WHAT DOES GUNNEDAH URBAN LANDCARE GROUP DO IN OUR COMMUNITY:

We work on public land throughout Gunnedah. We...

- plant and maintain trees,
- control noxious weeds,
- repair degraded sites eg Cushans Reserve, Pensioners Hill and along the Namoi River,
- install public amenities eg picnic tables,
- provide nest boxes and habitat for local native animals,
- are an advocate for local wildlife and open spaces,
- hold events to educate the community about the local environment and how to better look after it,
- work cooperatively with Gunnedah Shire Council and other community groups,
- source funding to improve open spaces, and
- work with local aboriginal groups on cultural heritage projects.

LOOKING FOR SOMEWHERE TO HAVE A PICNIC AND ENJOY WONDERFUL VIEWS OF GUNNEDAH AND SURROUNDS— HEAD UP TO PENSIONERS HILL—Lloyd Road Gunnedah

Pensioners Hill is a natural area that GULG, Gunnedah West Rotary and Gunnedah Council have been rehabilitating—once a barren hill it has been transformed into a wonderful open space area—which has bbq areas, covered picnic tables, walking tracks, sculptures and seating scattered through out this bushland reserve — with our latest improvement the recently constructed children’s playground, which makes this spot a great location for a family picnic.

Community Garden members hard at work

COMMUNITY GARDEN What's happening this month— we are busy planting winter vegetables and preparing compost for spring plantings. Would you like to come and join us. We meet each Wednesday at 9.30am and work through till 11am, finishing with morning tea. Access is via TAFE. Turn in main entrance, follow to end, turn left and you'll see us down in the left under the blue shade sail.
